Student Placement Scheme – Security Analyst

ECSC is a leading vendor independent information security consultancy and IT security managed service provider.

We operate a student placement scheme for outstanding undergraduates seeking a year in industry. Our placements are for 14 months, from 1 July to the 31 August the following year, based at our head office in Bradford, West Yorkshire.

You will be looking for the challenges and rewards of a career in this exciting, and fast developing, field. We hope that your placement leads to full-time employment with us at the end of your studies, and will work towards making your final year a success. In addition, we have a track record of helping employees gain additional qualifications, and will help you to pass the CISSP examination during your time with us.

In order to give you a thorough grounding in the area of information security, your primary focus during a placement year will be based within our Security Operations Centre, where we manage a wide variety of IT security systems for our clients.

Depending upon your aptitude and experience to-date, you may also get opportunities to contribute to our consulting services in wide areas of information security, including ISO 27001, PCI DSS, social engineering, technical testing, code auditing, and incident response.

Your communication skills, written, oral, and listening, must be first class. Experience in Linux administration is an advantage.

All applications must follow our standard procedure, including the submission of:

- Current Curriculum Vitae
- Letter of application, stating why you feel this is the right role for you, why you are an exceptional student, and your future career aspirations.
- Examples of how you have gone beyond the standard requirements of your course in your development of your security skills and knowledge.
- As we will be making first contact with potential employees by telephone, please include a contact telephone number with details of when we may contact you – specifying day or evening.

ECSC is an equal opportunities employer.

Apply to careers@ecsc.co.uk or by post to:
ECSC Limited,
1 Valley Court,
BRADFORD,
BD1 4SP

Salary: £14,000 to £16,000 p.a. depending on skills and experience, with annual leave of 20 days (plus all bank holidays).

Recruitment agencies: Sorry, this role is only available to candidates who apply directly.
